**Attachments:** SPR\_FAS Interdepartmental MOA for Animal Control Officer under Make Parks Safer Initiative - signed.pdf (802.34 kB); 2024\_Parks\_Backup\_\_\_MOA.xlsx (636.74 kB); FAS PARKS\_ACO MOA\_2025 (signed)\_7.28.25.pdf (280.67 kB)

Hi Jon & Jasmine,

This surfaced when I noticed no FAS/ACO charges posting to PRF602 (Make Parks Safer). At budget monitoring a few months ago, Amy (Parks Budget Manager) mentioned she had worked with Tricia (FAS manager) on the MOU budget piece. At last week's budget review—since charges still weren't posting—Amy asked me to follow up with Parks Accounting.

Iris hadn't seen an MOU on our side, so she contacted her FAS counterpart and received the signed 2025 MOU along with last year's spreadsheets. FAS indicated they're still working on the invoicing and the backup spreadsheet (they also sent the 2024 spreadsheet as a sample).

From what I can tell, the signature routing wasn't used by Tricia on the MOU; it appears the document moved directly to FAS signer and Parks signer (AP), and our unit (including Amy) wasn't looped and didn't receive the executed copy.

### **Recommendation for next year**

When the contract is due for renewal, let's request the finalized MOU and route it through our standard review/approval/signature path (Manager → SA → Deputy/Director → Contracts Manager → FAS signer → Parks signer (AP)), using our Adobe routing template with CCs to Budget/Amy, Accounting/Iris, the unit lead(s)/SA, and the FAS POC. I've attached the 2022 example we last routed for reference. This will ensure everyone receives the executed copy and that we can upload it to CCMS. In addition, Eduardo attended Contract 101 and can help with this. Jasmine, if the new app rolls out by next year, we should also update the Documentation & Reporting section and include clear POCs in the MOU.

### **Documentation & Reporting (current year)**

Marlan — please provide a YTD monthly report from the Parks Code Violation Dashboard (violations, citations, patrols, etc.), since ACOs are still using it.

Jasmine — please send the same YTD data from the Rangers' MS Form to Marlan.

Marlan — consolidate the two sources (or loop in Eduardo; he can assist).

Going forward: Maybe Eduardo can support your team by consolidating the reports monthly and sending them to FAS.

Having these summaries on hand will give us the documentation we need to process payment as soon as we receive FAS's 2025 spreadsheet. Please let me know how else I can help—and if you've already established a reporting role or process, your input is vital, so please chime in.

Thanks,  
Thavy

Thavy

Can you check with Colleen, Katie, Kristy, and Account Receivable, I don't think anyone in our Unit has ever seen a monthly payment or statement. I have never seen monthly reports and thank you for sharing the signed mou, first time I've seen it and noticed it was just signed in July.

Good morning Thavy,

I have not been involved in this Monthly Summary Reporting and Invoice Coordination. I know I gave suggestions several months ago about various items in the document, but this is the first time I'm seeing the signed agreement. Do you know who from our team received this?

Based on my knowledge in this moment:

- I do not believe a monthly summary is being sent to FAS

- Likely preferred point of contact would be [Don.Baxter@seattle.gov](mailto:Don.Baxter@seattle.gov) - he manages the ACOs
- I believe we could make the 5 day deadline work for September

I'm including Marlan to see if he can answer any of these questions as he has been more involved in the ACO contract in the past.

Hi Jon and Jasmine,

Following up on the Monthly Summary Reporting and Invoicing Coordination in the agreement:

Within five (5) business days after month-end, SPR will transmit to FAS a summary report of that month's activity (park complaints, warnings/citations issued, and patrols completed with/without Park Rangers). FAS will include SPR's summary with its invoice to SPR Accounting. If no activity occurs, SPR will submit a zero-activity report.

Marlan shared the [SPR Security Violations Dashboard - Overview](#), and it appears Animal Control Officers are still entering citations there. Could you please confirm:

- Whether the monthly summary is currently being sent to FAS so it can be included with FAS's invoice to SPR Accounting,
- The preferred point of contact and delivery method (email and/or shared folder) for the monthly summary, and
- That the five-business-day timeline after month-end works for your team for September reporting.

For awareness, FAS is still working on the invoicing, but Iris inquired about this process and timing.

Thanks

**Subject:** ACO MOA

Hi Jon and Jasmine-

Attached is the 2025 ACO MOA. I just wanted to review the documentation and reporting terms and provide update on billing. Thanks

5. DOCUMENTATION AND REPORTING SPR will provide the Park Ranger with the electronic equipment needed to record the origin and type of interaction with a member of the public, the infraction observed, and the result of the interaction. (i.e., patrol and incident; scoop violation; warning). SPR will also collect data on the location and time of each interaction and on each visit by the team to a single park. SPR may also collect other points of data that reasonably relate to the work program and its goals. The Park Ranger will enter the data into the Park Ranger Data Tracking App. SPR will share the data collected with FAS. The ACO and Park Ranger shall record all contacts and citations in the SPR app on the Parks Code Violation Dashboard. FAS will provide access to PetPoint and training for Park Rangers from ACOs on ticket writing and utilizing PetPoint to track contacts. A regular reporting mechanism will be vital for tracking progress and outcomes. Monthly reports from ACOs should include park complaints received, the number of warnings and citations issued, and the number of patrols completed by ACOs, both with and without Park Rangers. Within five working days of the end of each month, SPR will provide FAS a summary report on that month's data, which FAS will include with its invoice to SPR Accounting.

Year 2025 1 FTE ACO 2 3 FTEs ACO 2  
2025 2025  
Top 2025 hourly rate with AWI \$ 52.56 \$ 52.56  
Variable Costs (labor based on actual worked hours)  
    Salaries (assume 2,088 hours) \$ 109,745 \$ 329,236  
    Variable benefits (based on 2,088 hours) \$ 25,552 \$ 76,656  
Subtotal Variable Costs (based on actual worked  
hours) \$ 135,297 \$ 405,892  
Fixed Costs

|                                     |            |            |
|-------------------------------------|------------|------------|
| Pooled benefits (\$23,586/ACO 2))   | \$ 23,586  | \$ 70,758  |
| Supplies (\$3,000/ACO 2)            | \$ 3,000   | \$ 9,000   |
| Divisional Indirect (\$7,682/ACO 2) | \$ 7,682   | \$ 23,046  |
| Subtotal Fixed Costs                | \$ 34,268  | \$ 102,804 |
| Total Billing                       | \$ 169,565 | \$ 508,695 |

FAS will submit monthly requests for payment, along with a calculation spreadsheet of these costs, to SPR via a pre-established interdepartmental journal entry set up where FAS's expenses will be charged to SPR's PS 9.2 financial coding below based on actual hours worked.
